Meet the Teacher Afternoon

A “Meet the Teacher” Afternoon has been scheduled for Wednesday 15\textsuperscript{th} February from 3.45pm till 4.45pm. Parents are invited to come along and meet their child’s teacher, executive teacher and all teaching staff. During the afternoon there will be the opportunity to hear about important whole school programs and all about learning that will take place in classrooms.

Although the meetings are not Parent/ Teacher interviews they provide lots of valuable information to ensure all students and their families have a smooth start to the school year.

**Venue:** School Hall

**Time:** 3.45pm-4.45pm

**Date:** Wednesday 15\textsuperscript{th} February 2012

The afternoon will be divided into sessions:

1. 3.45pm-4.15pm will include an introduction of all staff and a discussion of whole school programs.

2. 4.15pm-4.45pm. 10 minute sessions in each classroom with individual class teachers. These 10 minute sessions will be repeated twice so that parents will have the opportunity to visit up to 3 classes if needed.

Please note that Parent/ Teacher interviews will be held at the end of term 1 this year. There will not be time to discuss individual children at “Meet the Teacher” but if there is an issue concerning your child that you’d like to discuss please make an appointment with your child’s teacher.

We look forward to seeing you on the 15\textsuperscript{th} February.

Yours sincerely,

Poppy Cassimatis

Principal
